+ POINTS

A worry-free winterising

Walu Sand Air keeps the water clean and clear in the winter, allowing an easier re-commissioning of the pool during the first summer days.

A proven durability

Walu Sand Air is wholly made using a high frequency welding process, which ensures long-term resistance without any wear points.

A high-end look

The choice of 5 colours — blue, green, almond green, grey and sand — makes it possible to match Walu Sand Air with any pool environment.
